We plan to increase your monthly Supplemental Security Income (SSI) payment from \$78.00 to \$137.00 beginning January 2024. The amount will change because your situation changed. You will continue to get the new amount each month unless there is a change in the information we use to figure your payment.

The rest of this letter explains more about your SSI payments. It also tells you how to find affordable health care.

We explain how we figured the monthly payment amount on the worksheet(s) at the end of this letter. The explanation shows how your income, other than any SSI payments, affects your SSI payment. We include explanations only for months where payment amounts change.

When You Will Receive Your Payments

Your bank or other financial institution will receive your monthly payment of \$137.00 around January 1, 2024, and on the first of each month after that.

Information Used In Making The Decision

- The amount due you is being raised because the law provides for an increase in Supplemental Security Income payments in January 2024 if there was an increase in the cost-of-living during the past year.
- Our records show that the following income used to figure your payment has also changed--
